---

**Thanuja Mummidi** holds a PhD in anthropology from the University of Madras, India. In 2006 she was awarded the Royal Anthropological Institute's Urgent Anthropology Fellowship for carrying out Postdoctoral research in the Department of Anthropology, Durham University, U.K. She is presently a Guest Faculty at the Department of Anthropology, Pondicherry University, India.

Her main areas of interest include analysis of development projects in an actor oriented perspective and exploring livelihood strategies in a gender inclusive framework with a focus on tribal and rural areas of Andhra Pradesh and Tamil Nadu (south India).

---
